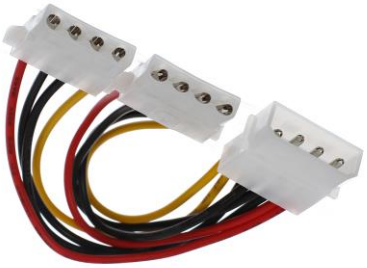
Technical data sheet

VPW7570 Power Cable

Version: A/0

【Product Picture】



【Product Description】

A Molex 12V power strip (power for an IDE hard drive) coming from the computer power supply, and you get 2 Molex 12V power connectors.

【Tech Specs】

Technical Specification	Description
Model	VPW7570
Color	WHITE,RED.BLACK
Connector Type	Molex 12V
Cable Type	Power Adapter Cord
Wire Gauge	0.5mm^2
Cable Length	0.15M

【Features】

1. **High-Quality Full Copper Wire:**Constructed with 0.5mm² , providing excellent electrical conductivity, low resistance, and improved durability for long-term use.
2. **Universal Compatibility:** Designed for various European electrical application.

【Application Environment】

1. **Office Power Management：** Ideal for connecting power adapters and electronic equipment, ensuring stable power transmission in office environments.
2. **Industrial & Commercial Use：** Suitable for IT equipment, servers
3. **Data Centers & Workstations：** Designed for efficient cable management, making it a perfect fit for rack-mounted systems and structured workspace setups.
